General Data's line of Black Rhino™ SmartLaser Stock Labels are 8.5" x 11" sheets featuring labels with die cut radius corners, 1/32" edge trim around the perimeter of the sheet and general-purpose adhesive with non-ooze properties. They eliminate the need for multiple documents, printers and types of media and reduce costly human error by eliminating the need for multiple data-entry points. They are suitable for a wide variety of laser and inkjet printing applications including address labels, shipping labels, office labels, packaging slips, pick tickets and general-purpose labels.
