

PARAGard™

Paraffin Repellent

- **Stops Paraffin from Adhering to Lab Surfaces & Equipment**

Keep all your lab surfaces and equipment looking clean and tidy. PARAGard quickly and easily removes paraffin from lab surfaces and creates a protective coating to prevent paraffin buildup.

- **A Xylene-Free, Non-Toxic Paraffin Repellent**

PARAGard is an environmentally friendly liquid designed to cut through paraffin wax and provide a protective residue that prevents wax from adhering to the cleaned surface. You simply spray and wipe; free from the tedium of scraping and scrubbing.

- **Safe for Use on Wood, Metal, & Plastic**

PARAGard is safe to use on almost all laboratory surfaces and will not harm equipment. Daily cleaning chores will be reduced to a minimum.

- **Now Available in Raspberry & Lavender!**

(4 oz. only) is now also available in sweet raspberry and fragrant lavender scents.

Protect every life story™ in your lab.
